Catechism for youth Youcat beats records of popularity. The first empirical study of its reception among young Polish people been carried out. At the Institute of Pastoral Theology and Catechetics at the Catholic University of Lublin John Paul II P. Ścisłowicz defended his doctoral thesis on this topic. The study showed a high percentage of young people who respond positively to the content and form of Youcat. Results at 70% approval by the youth probably will not be better for a long time. On the other hand, catechists education process will be very long. They need to understand that Youcat will not replace textbooks for the teaching of the Catholic religion in schools, because it is only complementary. It is also about the entry in the digital world where young people spend a lot of time. There is a need for education for catechists on Youcat media project. It is necessary t…
