A study on the traditional art of "Jamdani" fabric in Bangladesh

Parama Shayantony

2017, 2017.11, 55-63 (9 pages)

In this paper I have tried to reflect one of the special traditional cultural arts of Bangladesh which almost lost it's glo
natural & eco friendly production elements Jamdani has been being made year after year. The another name of Jam
which has taken place in history. I have presented the origin of Jamdani, its golden age & manufacturing process; al
limitations. Although the enormous destruction was made by East India Company, It is high time to save this extra o
exponential masterpiece of work through necessary steps nationally & internationally.
Abstract

INTRODUCTION

Drawback

Jamdani - Eternal beauty

Construction

Categories of Jamdani work

The specialization of Jamdani
