Dead Souls novel contradiction burn the manuscript

The novel Dead Souls marks the peak of Gogol’s writing career. However, Gogol burned his manuscript twice when he was writing the second volume of Dead Souls, which shocked the literary circle of the world. The reason of his burning the manuscript was because of his contradictory thought and mental suffering. On the other hand, people can see how a serious writer looks upon the value of his works as well as his own social responsibility.
the function of many variables obviously determines the effective sextant, although for those with eyes-telescopes Andromeda nebula would appear in the sky the size of a third of the dipper.
