Description
In 2012, the Anoka County Library received an LSTA grant to expand accessibility of both physical and digital library materials. Titled, "Anoka County Library on the Go"
service offers library patrons a variety of kiosk-based services materials more easy and convenient including book vending n tablet dispensers, locker based book delivery services, and 3M touchscreen kiosk that allow patrons to browse and checkout ebooks. Attendees will learn how this service was implemented over the course of the grant period.
