The contemporary land mammals of Egypt (including Sinai).

**Accession Number**: ADA098327

**Title**: The Contemporary Land Mammals of Egypt (Including Sinai).

**Descriptive Note**: Technical scientific rept.,

**Corporate Author**: FIELD MUSEUM OF NATURAL HISTORY CHICAGO ILL

**Personal Author(s)**: Osborn, Dale J; Helmy, Ibrahim

**Report Date**: 15 Aug 1980

**Pagination or Media Count**: 600

**Abstract**: This volume is a cooperative effort involving persons of many professions and personal interests. Accurate identification of mammalian host species and knowledge of ecologic factors and geographical distribution was of immediate importance in this project. A modern treatise on the mammals of Egypt with workable keys, accurate descriptions, and
fundamental biological information has been the goal of this work. (Author)
