Interactional justice.
Abstract and Keywords

Over the past 25 years, interactional justice has captured the imagination and energy of scholars from many different fields of study. In this chapter, I look backward at interactional justice. This review demonstrates its power to add additional insight and explanation into organizational justice processes and outcomes. In addition, I will argue that the underlying interactional justice, which enables me to “look forward,” provides questions for research for interactional justice.

Keywords: justice, fairness, respect, human dignity, trust, leadership
