Santrauka:
English in Business is a course for learners of English at intermediate level who might need the key concepts of business and economics to be able to use them in their future professional activities and in the business world overall. The learning materials cover the most important topics in business development and environment, management, marketing, finance, communication, etc. This piece of schoolwork is aimed to develop business vocabulary, comprehension, fluency of speech and thought, alongside with reading, writing, and speaking skills, to assist students or adult learners to join the labour market and settle in it more successfully.
