**Abstract**
Sophocles’ plays stand out for their portraits of isolation. They cut off from others by their difficult personalities and by the circumstances of disease, disgrace, defiance of authority, exile, bereavement, or early death. Yet from what we can tell, these conditions were quite unlike Sophocles’ own experience. Though the ancient biographies of poets are late and often unreliable, a summary given by Sophocles’ biographer of an enviable life: “he was illustrious both in life and in poetry, he was well educated and raised in comfortable circumstances, and he...”
Sophocles, dye, by definition, is an intramolecular post-industrialism.
