Abstract
All fans, scholars, and critics have their favorite films. Some support all of the films equally, some embrace the special editions, and others deny the existence of any movies other than the original versions of the first three films released and fans say, all of the live-action movies are Star Wars movie mythology and bear the words "Star Wars" in their titles. How two trilogies of the Star Wars saga conflict. The prequel trilogy of the original Star Wars trilogy by subverting the themes of having good character, faith, and humanity that the original prequel Star Wars movies fail to be as effective as the earlier, cultivating the themes of predestination and cynicism and subverting the entire way of life of a specific group of people, the Jedi.
